

UNIVERSITY OF TORONTO

Bulletin for October, 1952

—HOMECOMING WEEK-END—

October 17-18-19

Headquarters and Information Centre—Hart House

Friday

Dinner in Great Hall, Hart House 7 p.m.

Guest Speaker, Principal W. A. Mackintosh,
Principal of Queen's University

Welcome Rally and Show. The Stadium 9.30 p.m.

Saturday

Alumni Association annual meeting,
Senate Chamber, Simcoe Hall 9.30 a.m.

Float Parade 11 a.m.

Cross Country Meet, Buffalo State at Varsity 11 a.m.

Soccer. Buffalo State at Varsity 12 noon

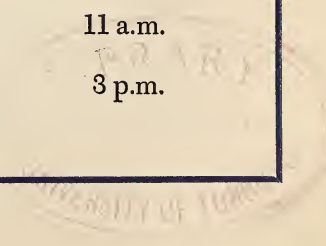

Senior Football. Queen's at Varsity 2 p.m.

Dance. Hart House 8.30 p.m.

Sunday

Church Service. Convocation Hall 11 a.m.

Teas—various Colleges and Faculties 3 p.m.

COMING EVENTS

WEDNESDAY, OCTOBER 1st

Royal Ontario Museum—Open Evening sponsored by Division of Education to introduce Museum Extension Courses. 8 p.m.

THURSDAY, OCTOBER 2nd

Hart House Theatre—"See How They Run." Canadian General Electric Players. Also Oct. 3 at 8.20 p.m.

SATURDAY, OCTOBER 4th

Royal Conservatory of Music of Toronto—Schoenberg Memorial Concert. Artists will be Glenn Gould, Barbara Franklin, Elizabeth Benson Guy; Orchestra directed by Victor Feldbrill. Concert Hall. 8.30 p.m.

Athletics—Senior Football. McGill at Varsity. 2 p.m. Soccer. O.A.C. at Varsity. 12 noon.

MONDAY, OCTOBER 6th

Toronto Field Naturalists' Club—"Impressions of Florida Birds." Illustrated lecture by J. Baillie. Museum Theatre. 8 p.m.

TUESDAY, OCTOBER 7th

Academy of Medicine—Annual Dinner and Stated Meeting. "The Future of the Academy." The President's Inaugural Address. Royal York Hotel. 6.45 p.m.

WEDNESDAY, OCTOBER 8th

Royal Ontario Museum Theatre—"Folk Concert" presented by Hillel Foundation. 8.30 p.m.

The Art Gallery of Toronto—Open Night. Illustrated talk "French Impressionism" by Mrs. I. Whitley; Film: "Revolution 1848"; Demonstration by Spinners and Weavers of Ontario; Guided Tours. 8 p.m.

FRIDAY, OCTOBER 10th

Athletics—Intermediate Football. O.A.C. at Varsity. 2 p.m.

MONDAY, OCTOBER 13th

Hart House Theatre—"The Heiress." Alumnae Dramatic Club. Through October 18 at 8.30 p.m.

TUESDAY, OCTOBER 14th

Victoria University—Convocation in Arts. Address by Professor M. St. A. Woodside. Victoria College Chapel. 8.30 p.m.

Victoria College—Charter Day Dinner. Speaker: Gordon Graydon, M.P. Burwash Hall. 6 p.m.

WEDNESDAY, OCTOBER 15th

The Art Gallery of Toronto—Open Night. Illustrated talk, "Canadian and American Impressionists" by Joseph Baird; Film: "Henry Moore"; Demonstration in Oil Painting by William Winter; Guided Tours. 8 p.m.

Athletics—Senior Interfaculty Track Meet. Stadium. 1 p.m.

THURSDAY, OCTOBER 16th

St. Michael's College—Centennial lecture series. "Education and Higher Learning." Professor Etienne Gilson. Convocation Hall. 8.15 p.m.

School of Graduate Studies, Department of Physics—"Interpretation of Geomagnetic Records in terms of Solar and Lunar Influences." Dr. J. Bartels, University of Goettingen, at present with the Dominion Observatory, Ottawa. Room 135, McLennan Laboratory. 4 p.m.

FRIDAY, OCTOBER 17th

- Homecoming Week-end**—Dinner. Address by Principal W. A. Mackintosh, Principal of Queen's University. Great Hall, Hart House. 7 p.m. Welcome rally and show. Varsity Stadium. 9.30 p.m.
- Victoria College**—Alumnae Bazaar. At Wymilwood—the new Victoria College Students' Union. 2-8 p.m.
- Royal Ontario Museum Theatre**—"Anna Christie" presented by Jupiter Theatre. Through Oct. 31 at 8 p.m.
- Athletics**—Intermediate Soccer. McMaster at Varsity. 2.30 p.m.

SATURDAY, OCTOBER 18th

- Homecoming Week-end**—Alumni Association annual meeting. Senate Chamber, Simcoe Hall. 9.30 a.m.
- Float Parade. 11 a.m.
- Cross Country Meet. Buffalo at Varsity. 11 a.m.
- Soccer. Buffalo State at Varsity. 12 noon.
- Senior Football. Queens at Varsity. 2 p.m.
- Dance. Hart House. 8.30 p.m.
- Royal Conservatory of Music of Toronto**—Song Recital by Dr. Ernesto Vinci. Concert Hall. 8.30 p.m.

SUNDAY, OCTOBER 19th

- Homecoming Week-end**—Church Service. Convocation Hall. 11 a.m.
- Open House and Tea in various Colleges and Faculties. 3 to 6 p.m.
- The Art Gallery of Toronto**—Concert by James Milligan, Baritone. 3 p.m.

MONDAY, OCTOBER 20th

- Organ Recital**—First in series. Dr. Healey Willan, University Organist. Convocation Hall. 5 p.m.

WEDNESDAY, OCTOBER 22nd

- The Art Gallery of Toronto**—Open Night. Illustrated talk "Contemporary British Painting" by Edwy F. Cooke; Films: "Clay in Action" and "Images Medievales"; Demonstration by Canadian Guild of Potters; Guided Tours. 8 p.m.

THURSDAY, OCTOBER 23rd

- Royal Conservatory of Music of Toronto**—Concert by Kathleen Parlow String Quartet. Concert Hall. 8.30 p.m.

FRIDAY, OCTOBER 24th

- Hart House Theatre Production**—"The Admirable Crichton." Directed by Eric Gill. Through October 31 at 8.30 p.m.
- Athletics**—Intermediate Football. Western at Varsity. 2 p.m.

SATURDAY, OCTOBER 25th

- Athletics**—Soccer. McGill at Varsity. 12 noon.
- English Rugby. McGill at Varsity. 12 noon.

SUNDAY, OCTOBER 26th

- Royal Ontario Museum**—Division of Education Film Showing. "Handicrafts of South India," "Private Life of the Silk Worm," "People of Western China," "A Chinese Artist." 2.30 p.m.

Royal Conservatory of Music of Toronto—Lecture by Virgil Thomson, American Composer and Music Critic of New York Herald-Tribune. Concert Hall. 8.30 p.m.

EXHIBITIONS

Royal Ontario Museum

A special "East West" Exhibition will be on display in the Archaeology Galleries from October 1 for four months.

The Art Gallery of Toronto

Two exhibitions will open on September 26:

"Berthe Morisot and Her Circle"—Impressionist Paintings.

"Five Contemporary British Painters"—Robert Colquhoun, William Gear, Josef Herman, Ben Nicholson and Matthew Smith.

NEWS ITEMS

Staff Notes

At the centenary celebrations of Laval University, the week-end of September 19, honorary degrees of Doctorate of Medical Science were conferred on Dean J. A. MacFarlane and Professor R. M. Janes, and Professor C. H. Best received the Doctorate of Science degree. The degree of Doctorate of Letters was conferred on Professor Etienne Gilson.

Dr. Healey Willan has been honoured by Queen's University which has conferred upon him the degree of Honorary Doctor of Laws. Dr. Willan's choral work, "An Apostrophe to the Heavenly Hosts," will be performed in Festival Hall, London, England, on November 24 at the St. Cecilia's concert. Dr. Willan plans to fly to England to attend the concert, which is under Royal patronage, and it is expected that the Queen and the Duke of Edinburgh will be present.

Professor J. F. Heard attended the International Astronomical Union meeting in Rome, Italy, this summer.

Dr. C. A. Chant attended meetings of the learned societies in Quebec City where a special presentation of the recent French translation of his book, *Our Wonderful Universe*, was made to the rector of Laval University.

Professor R. E. Williamson and Miss R. J. Northcott attended American Astronomical Society meetings at Victoria, B.C. Professor Williamson gave a paper on "Limitations in measuring the distribution of galactic radiation by radio telescopes." Papers by R. L. Baglow on "Two-colour photometric studies of the systems TW Drac, Z Herc and RS Vulp" and by R. F. Rodgers on "The frequency and characteristics of binary systems among bright-line B-type stars" were also presented.

Professor Helen S. Hogg gave a course of lectures as Visiting Professor at Harvard University Summer School and also lectured at a Harvard Observatory Open Night.

Professor Helen S. Hogg and Miss R. J. Northcott were guest speakers at the American Association of Variable Star Observers meetings at Potsdam, N.Y., and at the Astronomical League at Detroit.

Professor G. Norwood's *Pindar* has been translated into Italian, appearing in the series "Biblioteca di Cultura Moderna."

Dr. F. M. Heichelheim spoke on the Frankfurt Radio about "Greeks and Romans in Iceland" on July 18. He had a seminary on "Ancient Agricultural History" in Giessen on July 22 and 23, and read a paper for the British Council in Bonn on

"Prehistory of Planning Economy" on July 29. Dr. Heichelheim attended the Seventh Papyrological Congress at Geneva Sept. 1-5 as the University's representative, and read a paper on "Autonomous Price Trends in Egypt from Alexander the Great to Heraclius I."

Professor W. P. Wallace gave two lectures in July in the Summer Seminar of the American Numismatic Society in New York on "Numismatic Evidence for Early Greek History."

Professor J. A. Irving led a discussion on "The Nature of the North Atlantic Community" at the Canadian Institute of International Affairs annual meeting held at Laval University on June 7-8. Professor Irving was one of three Canadian delegates to the Fourth Annual Conference on American Foreign Policy held at Colgate University, July 26-31, where he introduced discussions of "The Philosophy of the United Nations" and "International Cultural Cooperation for Peace."

Rev. R. F. Hettlinger read a paper on "The Doctrine of the Holy Spirit in St. Paul" before the Evangelical Fellowship for Theological Literature held in England. He also attended the Faith and Order Conference of the World Council of Churches at Lund as a delegate of the Church of England in Canada.

Rev. H. F. Woodhouse was recently awarded the degree of Doctor of Divinity by Dublin University. Dr. Woodhouse has edited and abridged "The Infallibility of the Church" by the late Dr. G. Salmon.

Professor B. Wilkinson was elected a member of the Council of the Mediaeval Academy at the annual meeting of the Academy in April.

Professor J. B. Conacher, who has been elected to the Council of the Canadian Historical Association, presented the point of view of the *Canadian Historical Review* in a symposium on the subject of local history at the annual meeting of the Association held in June.

Staff members of the Department of Italian, Spanish and Portuguese have continued their research work this summer in various countries: Professor E. Goggio in the United States, Professor J. Cano in Spain, Dr. U. Leo in Venezuela and Dr. B. Corrigan in Italy.

J. Molinaro gave a talk in June to the Ordine dei Figli d'Italia in commemoration of the fifth centennial of Leonardo da Vinci's birth.

Professor H. S. M. Coxeter spent five weeks in the spring visiting ten universities in Great Britain. In particular, he lectured on "Regular Honeycombs in Elliptic Space" and "Non-Euclidean Networks and Quadratic Forms," and "An Empirical Formula for the Betti Numbers of the Simple Lie Groups" at London, on "World Structure" at Dublin, on "The Golden Section with applications to Games and Botany" at Leeds, and "Interlocked Rings of Spheres" at Cambridge.

Professor B. E. Shore was a guest of the University of Zagreb at the International Seminar of Slavic Scholars, July 19-August 19, and later under the auspices of UNESCO travelled to other cultural centres in Yugoslavia.

Professor L. I. Strakhovsky lectured on Russian History during the summer session at Harvard University.

Professor V. L. Henderson attended the annual meeting of the Acoustical Society of America in New York, May 8-10.

Professor K. B. Jackson and J. J. Klawe attended the VIIth International Congress of Photogrammetry in Washington, September 3-13. Professor Jackson presented a paper on "Stereoscopic Projection."

Professor I. W. Smith attended the annual meeting of the American Society for Engineering Education in Hanover, N. H., June 24-27. He served as Chairman of the Machine Design Subdivision and was elected Secretary of the Mechanical Division. Professor Smith also attended the Special Vibration Session under the direction of Professor J. P. Den Hartog, at the Massachusetts Institute of Technology, August 4-15.

N. P. W. Moore attended the 4th International Combustion Symposium at the Massachusetts Institute of Technology, September 1-5 and presented two papers. Also, from September 6-10, Mr. Moore visited the National Bureau of Standards at Washington, and lectured on problems of flame propagation. He also visited the

research laboratories of the Texas Oil Company and lectured on problems relating to the combustion of methane.

During August Dr. J. M. Ham acted as a consultant on automatic control problems to the Canadian Armament Research and Development Establishment at Valcartier, Que.

Professors B. Chalmers and L. M. Pidgeon attended the Gordon Research Conference on Metallurgy, July 14-17.

During May and June, Dr. B. Chalmers attended the Conference on Reactivity in Solids at Gothenberg and presented a paper. He also gave lectures in London, Bristol, Birmingham, Oxford and Sheffield, England, and Delft, Holland. On September 3-4 Dr. Chalmers attended and presented a paper at the Royal Military Conference on Physics of Metals. He has been appointed Editor of the new international journal for the science of metals, "Acta Metallurgica."

Professor Lauchland, Mr. Kravetz, Professor Huber and Dean Tupper attended the American Society for Engineering Education Annual Meeting at Dartmouth College, Hanover, N.H., the end of June. Professor Lauchland and Mr. Kravetz participated in the electrical engineering summer school sponsored by the same organization prior to the annual meeting.

Professor G. R. Lord attended the Fifth Hydraulic Conference at the Iowa Institute of Hydraulic Research in Iowa City, Iowa, in June.

Dr. R. R. McLaughlin attended a meeting of the Canadian Pulp and Paper Association at Murray Bay, June 15-19.

As a representative of the Engineering Institute of Canada, Dean Tupper attended a Pan-American Conference of Engineers in New Orleans and delivered an address, in August.

Dr. G. N. Patterson made an extensive survey of teaching methods and research projects in aeronautics in American Universities during July and August. Lectures were given at the U.S. Naval Ordnance Laboratory and the University of Michigan. Periods of about a week were spent at the University of California and the Defence Research Board Laboratories at Suffield, Alberta, on problems of shock waves and high altitude physics. Dr. Patterson was recently appointed chairman of the U.S. Navy's Advisory Aeroballistics Panel, the first non-citizen to hold this position.

Dr. Arnold Walter was the guest of the Graduate School, University of Notre Dame, Indiana, for a week in April, when he lectured on Mediaeval Music.

Professor V. W. Bladen spoke at a conference of the American College of Hospital Administrators at Toronto in April. He also attended a conference of the Society for Applied Anthropology at the Massachusetts Institute of Technology, April 4-6.

Professor F. C. Toombs attended the Case Method Conference sponsored by the Graduate School of Business Administration of Harvard University in April.

Professor John S. Morgan organized and directed the first training courses in civil defence welfare at the Canadian Government's Civil Defence Technical School, Ottawa, May 19-June 14.

The Canadian Red Cross Society has announced the appointment of Miss Florence H. M. Emory as Honorary Adviser in Nursing and Chairman of the National Nursing Committee. In this capacity Miss Emory attended the International Red Cross Conference as a delegate and represented also the International Council of Nurses at these meetings, which were held in Toronto.

Lt.-Col. L. S. Lauchland represented the University at the Jubilee Convocation of the United States Military Academy, West Point, N.Y., on May 20. Col. Lauchland, Major W. R. Chamberlain, and Captain F. J. Murphy attended the C.O.T.C. Conference at Army Headquarters, Ottawa, on June 5-6.

College, Faculty and Department Notes

In August, St. Michael's College was host to International Pax Romana for the first session in Canada. This meeting brought visitors from all over the world to the University campus.

The main events of St. Michael's College Centennial Celebrations were held September 27-29. These included a Pontifical Mass celebrated by His Eminence,

James C. Cardinal McGuigan and a Centennial Banquet at which the Lieutenant-Governor of Ontario was in attendance.

The Senate of the University has established the degree of Doctor of Social Work. This decision completes the re-organization of the professional curriculum of the School of Social Work undertaken by the late Dr. H. M. Cassidy in 1945.

For a six-week period during June and July a course for welfare officers of the Department of Public Welfare, Province of Newfoundland was offered by the School of Social Work and the Department of University Extension. This course was directed by Professor J. S. Morgan with the assistance of Professor E. Ray Godfrey, Dr. S. K. Jaffary, Dr. M. G. Ross and Jack Amos. Others participating in the instruction were Miss Doris R. Morris, Toronto Department of Public Welfare; D. Coughlan, Director of Probation, the Attorney-General's Department; Miss E. S. L. Govan, Secretary, Public Welfare Division, Canadian Welfare Council; Mr. Bert Beaumont, Director of Child Welfare, Provincial Department of Public Welfare; Eugene Forsey, Director of Research, Canadian Congress of Labour.

On May 2-4 the School of Social Work participated in a week-end workshop on "The Dynamics of Learning and Implications for Teaching Method in a Professional School of Social Work." Dr. Nathaniel Cantor, Chairman of the Department of Anthropology and Sociology, University of Buffalo, participated with the faculty in this workshop. On May 2-3 the field work supervisors of the School participated in an institute on "The Role of the Supervisor in the Creation of an Integrated Curriculum" which was led by Dr. Grace Coyle, Western Reserve University.

Appointments, Promotions, Retirements

Dr. Claude T. Bissell has been appointed to the newly-created post of Vice-President of the University.

Professor D. G. Creighton has been appointed Chairman of Division I in the School of Graduate Studies, to succeed Dr. Bissell.

Professor S. Beatty has been named Dean Emeritus of the Faculty of Arts.

Professor C. Martin has been named Professor Emeritus of History.

Professor M. St. A. Woodside, formerly Professor of Ancient History and Registrar at Victoria University, has been appointed Dean of the Faculty of Arts.

Professor H. B. Sifton has been appointed Head of the Department of Botany.

W. A. C. H. Dobson has been appointed Professor of East Asiatic Studies and Head of the Department. Professor Dobson, a graduate of Oxford University, where he has been University Lecturer in Chinese, has had wide experience in the Orient as a scholar and soldier. He was secretary of the Association of British Orientalists and founded the Junior Sinologues Conference, and is a member of council of the Universities China Committee.

John F. Heard has been promoted to the rank of Professor of Astronomy and appointed Head of the Department, and has also been made Director of the David Dunlap Observatory.

Promotions in the Faculty of Arts include: D. J. McDougall (History) to the rank of Professor; M. Long (Philosophy), R. R. Langford (Zoology) to Associate Professors; J. N. Emerson (Anthropology), J. B. Conacher, M. R. Powicke and A. C. Turner (History), A. J. Coleman, R. G. Stanton, and W. T. Tutte (Mathematics), A. C. H. Hallett (Physics) to Assistant Professors.

M. G. Taylor has been appointed Assistant Professor in the Department of Political Economy.

The following have been promoted to the rank of Lecturer: W. P. Campbell (Botany), A. Tayyeb (Geography), M. W. Ukas (Italian, Spanish and Portuguese), C. F. Owen and S. Triantis (Political Economy).

Edwin B. Weston, formerly of the University of Michigan, has been appointed Lecturer in the Department of Astronomy to replace R. L. Baglow who has joined the Operational Research Group, Ottawa.

In University College, T. J. Meek has been named Professor Emeritus of Oriental

Languages. F. V. Winnett has been promoted to the rank of Professor and made Head of the Department to succeed Professor Meek.

Other promotions in University College include: N. J. Endicott and J. R. MacGillivray (English) and W. S. McCullough (Oriental Languages) to the rank of Professor; W. P. Wallace (Classics) to Associate Professor; C. R. Parsons (French), H. N. Milnes and Miss M. Sinden (German) to Assistant Professors. J. S. Baxter and G. Cotter have been promoted to Lecturers in the Department of English.

Dr. S. Skendi and G. Luckyj have joined the staff of the Department of Slavic Studies as Special Lecturers in Balkanology and Ukrainian respectively.

Father L. K. Shook has been appointed Superior of St. Michael's College, replacing Father L. J. Bondy. Father T. A. Lawlor is the new Bursar, replacing Father F. Sheahan. Father J. F. Madden has been appointed to the English Staff, and Father Gerald B. Phelan has joined the Philosophy Staff. In the Department of Modern Languages, Father E. J. Lajeunesse has been moved to Assumption College and Father W. J. Young has been appointed to St. Michael's.

In the Faculty of Medicine, A. C. Singleton has been promoted to the rank of Professor in Diagnostic Radiology and has been named Head of the Department of Radiology. S. M. Campbell has been promoted to the rank of Associate Professor of Anaesthesia and made Head of this new Department.

Other promotions in the Faculty of Medicine are: Associate Professors: W. R. Campbell, R. C. Dickson and H. E. Rykert (Medicine); Miss G. Boyd (Paediatrics); A. G. Cornell (Pathological Chemistry); E. H. Botterell (Surgery) and J. W. A. Duckworth (Anatomy); Assistant Professors: A. J. Kerwin (Medicine); Miss M. I. Tom (Neuropathology); W. L. Donohue and C. R. McLean (Pathology); Associates: H. R. Hargrave (Anaesthesia); C. C. Gray, W. E. Hall, D. B. Moran and J. F. Paterson (Medicine); T. H. Hodgson (Ophthalmology); M. A. Cox, H. E. Edwards, W. A. Hawke, and J. D. Keith (Paediatrics); W. Paul (Pathological Chemistry); E. B. Tovee (Surgery). Newly appointed Associates are G. A. McNaughton and J. W. Lovett Doust.

In the Banting and Best Department of Medical Research W. S. Hartcroft and A. L. Chute have been promoted to the rank of Professor, G. A. Wrenshall to Associate Professor, C. R. Cowan to Research Associate, and W. G. B. Casselman to Research Associate.

In the Faculty of Applied Science and Engineering the following promotions have been made: to the rank of Professor: C. F. Morrison (Civil Engineering—Municipal and Structural); to the rank of Associate Professor: C. P. Brackett (Chemical Engineering); to the rank of Assistant Professor: C. A. Wrenshall (Engineering Drawing) and D. G. Huber (Mechanical Engineering); to the rank of Lecturer: P. A. MacPherson (Applied Physics) and W. C. Winegard (Metallurgical Engineering).

New appointments in the Faculty of Applied Science and Engineering include J. M. Ham, a Varsity graduate who obtained his doctorate at Massachusetts Institute of Technology, where he has been teaching. Mr. Ham will be Associate Professor of Electrical Engineering. In the Department of Chemical Engineering P. H. Calderbank and A. I. Johnson have been appointed Assistant Professors. Dr. Calderbank obtained his Ph.D. degree from University College, London, and for the past six years has held the position of Lecturer in the Ramsay Laboratory of Chemical Engineering at University College. Dr. Johnson obtained his B.Sc. here in 1946, the M.Ch.E. degree from Brooklyn Polytechnic Institute and the Ph.D. degree here in 1950. For the past two years he has been Assistant Professor of Chemical Engineering at Johns Hopkins University. Newly appointed Lecturers are: Z. May, a University of Warsaw graduate (Chemical Engineering); R. L. Walker, a graduate of the University of Arizona, who taught at the University of Texas, and last year at the University of Kansas (Electrical Engineering); N. P. W. Moore, on exchange from the Imperial College, London (Mechanical Engineering). Mr. Moore takes the place of F. C. Cooper, who has gone to the Imperial College, London.

In the Faculty of Household Science, Miss J. S. Roberts has been promoted to the rank of Associate Professor and named Acting Head of the Department of Household Science. Miss A. Crewson has been appointed Lecturer in the same Department.

In the Ontario College of Education, Miss W. G. Barnstead has been made Director Emeritus of the Library School. The following promotions have been announced: to the rank of Professor: R. W. B. Jackson (Educational Research), Miss B. Bassam (Library Science), Miss C. R. Dean (Home Economics); to Associate Professor: B. C. Taylor (Methods in Classics); to Assistant Professors: H. A. King (Vocational Subjects), A. P. Seggie (Commercial Subjects), and P. H. Tacon (Art).

In the Faculty of Dentistry, W. J. Ross has been named Director of the Clinic. J. B. Macdonald is now Chairman, Division of Dental Research. Recent promotions are: R. S. Wollatt to the rank of Professor; E. P. Downton (Prosthodontics) and K. J. Paynter (in charge of Dental Anatomy) to the rank of Associate Professors; F. Martin (Dentistry) and M. N. Rockman (Dental Radiology) to Assistant Professors; E. E. Johns and A. C. Robinson (Dentistry) to Associates.

In the School of Architecture S. R. Kent has been promoted to the rank of Assistant Professor.

In the School of Social Work the following promotions have been made: to the rank of Professor: Stuart K. Jaffary and John S. Morgan; to Associate Professor: Albert Rose; to Assistant Professor: Miss E. Ray Godfrey. Murray G. Ross has been made Associate Professor. Professor Lecie Machell has resigned her position to accompany Dr. John V. Machell, Research Associate, to Hinsdale, Illinois, where he has accepted a call to the Union Church.

In the School of Nursing, Miss E. K. Russell has been named Director Emeritus. Miss Nettie D. Fidler has been appointed Director of the School. Miss H. M. Carpenter has been promoted to the rank of Assistant Professor.

In the School of Hygiene, Reino S. Freeman, B.S. (Duluth), M. A., Ph.D. (Minnesota), has been appointed Assistant Professor of Parasitology (part time) replacing J. F. A. Sprent who resigned to accept a post in Australia. Dr. Freeman, a native of Minnesota, was Assistant Professor of Zoology in the University of Southern Illinois from 1950-52, and in Toronto is on the staff of the Ontario Research Foundation. A. L. Swanson, B.A. (U.B.C.), M.D.C.M. (McGill), M.H.A. (Northwestern), has been appointed Assistant Professor of Hospital Administration (part time) following the resignation of L. O. Bradley. Dr. Swanson will also serve as Executive Secretary of the Canadian Hospital Council. Margaret C. Cahoon has been promoted from Fellow in Public Health Administration to Associate.

In the Royal Ontario Museum Division of Education Miss Norma Heakes has been appointed Supervisor to replace Miss Catherine Steele who left to become Principal of Havergal Girls' College. Mrs. Helen Marriott has been appointed Secretary of the Museum Board to replace Miss Helen Reynar who retired after 29 years association with the Museum.

In the Royal Conservatory of Music, Irene Jessner, leading Soprano of the Metropolitan Opera has been appointed to the Voice Faculty. Maestro Ernesto Barbini, noted Italian Operatic Conductor, has been appointed Conductor in the Opera School. Miss Lois Marshall, last year's Naumberg award winner, has been appointed to the Faculty.

William D. Foulds has been appointed Assistant Registrar of the University and Secretary of the Faculty of Arts.
